

BUTTS COUNTY

Light Equipment Operator

Public Works

PW/11

JOB SUMMARY

This position is responsible operating a variety of equipment to assist in County road and infrastructure maintenance activities.

MAJOR DUTIES

- Operates a variety of vehicles and light equipment including patch trucks, brush cutter, asphalt sealers, and chain saws.
- Maintains grass and tree line along County roads and highways.
- Clears, collects, and removes debris; clears rights of way.
- Assists in conducting road maintenance activities including patching holes and sealing asphalt.
- Assists in transporting construction material to work sites.
- Places construction signs and flags traffic during maintenance activities as needed.
- Performs related duties.

KNOWLEDGE REQUIRED BY THE POSITION

- Knowledge of road construction and maintenance methods and practices.
- Knowledge of related federal, state, and local laws.
- Knowledge of occupational hazards and safety requirements.
- Knowledge of County geography.
- Skill in operating specialized light and heavy equipment.
- Skill in the operation of vehicles and related repair and maintenance equipment.
- Skill in accurately maneuvering heavy equipment.
- Skill in interpersonal relations.

SUPERVISORY CONTROLS

The Public Works Director assigns work in terms of somewhat general instructions. The supervisor spot-checks completed work for compliance with instructions and established procedures, accuracy, and the nature and propriety of the final results.

GUIDELINES

Guidelines include County and department policies and policies, ordinances, and regulations, and related federal, state, and local laws. These guidelines are generally clear and specific but may require some interpretation in application.

COMPLEXITY/SCOPE OF WORK

- The work consists of related maintenance duties. Inclement weather contributes to the

- complexity of the position.
- The purpose of this position is to operate light equipment to support road and infrastructure maintenance activities. Success in this position helps ensure safe and serviceable roadways for Butts County.

CONTACTS

- Contacts are typically with coworkers, other County employees and agencies, and members of the general public.
- Contacts are typically to provide services; or to give or exchange information.

PHYSICAL DEMANDS/ WORK ENVIRONMENT

- The work is typically performed while intermittently sitting, standing, walking, stooping, bending, or crouching. The employee frequently lifts light objects and occasionally lifts heavy objects, climbs ladders, uses tools or equipment requiring a high degree of dexterity, distinguishes between shades of color and utilizes sense of smell.
- The work is typically performed on site. The employee is exposed to noise, dust, dirt, grease, machinery with moving parts, contagious or infectious diseases, irritating chemicals, and occasionally outdoors in inclement weather. The work requires the use of protective devices such as masks, goggles, gloves, etc.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY

None.

MINIMUM QUALIFICATIONS

- Ability to read, write and perform mathematical calculations at a level commonly associated with the completion of high school or equivalent, or a combination of education, experience and skills that meet the prerequisites of the position.
- Sufficient experience to understand the basic principles relevant to the major duties of the position, usually associated with the completion of an apprenticeship/internship or having had a similar position for one to two years.
- Possession of or ability to readily obtain a valid driver's license issued by the State of Georgia for the type of vehicle or equipment operated.
