

Southern Behavioral Services

CARING TREATMENT. TIMELY RESULTS.

EMPLOYEE ASSISTANCE PROGRAM

BENEFITS INCLUDE:

Brief, solution-focused therapy for employees and legally dependent family members

SBS is available to help with a variety of issues:

- Stress and anxiety
- Relationships
- Family and parenting concerns
- Divorce
- Depression
- Grief and loss
- Alcohol and drug abuse

To help you find solutions for the things in your life which matter most, you have access to the Employee Assistance Program provided for you by Butts County Board of Commissioners. This service is confidential, is of no cost to you and offers support for any issue which is negatively impacting your personal or work life.
