Building and Safety – Permit Center

Downloading Returned Documents

Process for Downloading Returned Document in the .Zip File

The Permit Center is where all building plan check takes place for a construction project. When the Plan Checkers have completed a plan check, your project's files are returned plans in a .zip file to your account. And there are two ways to download this .zip file

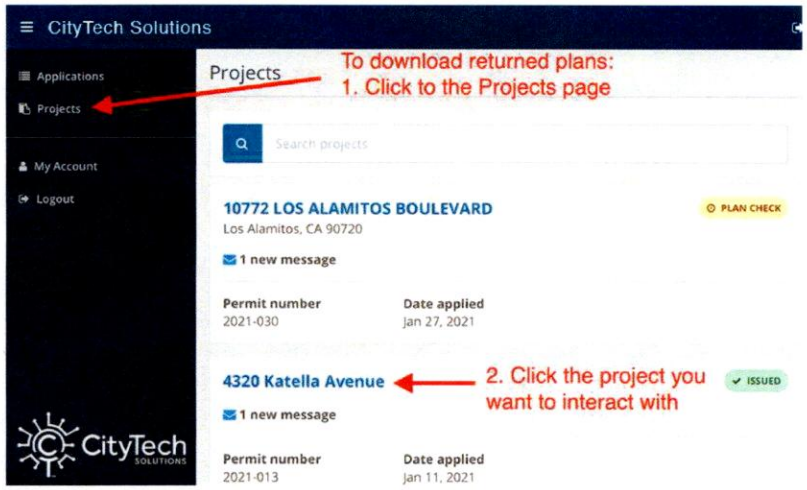

Option 1

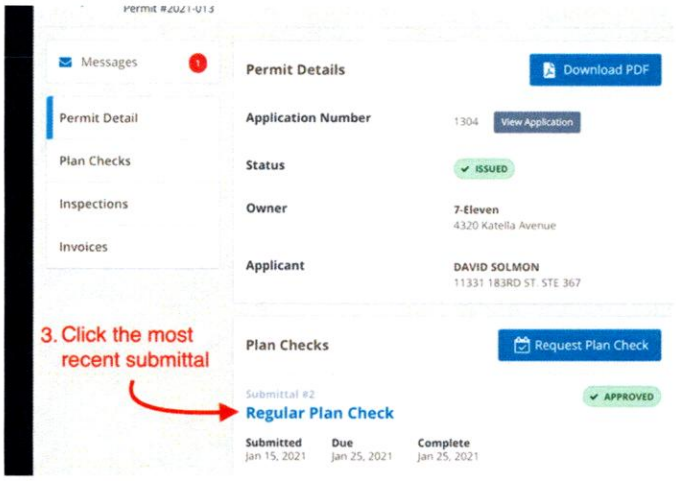

Download your .zip file by clicking on the download link in the email you receive.

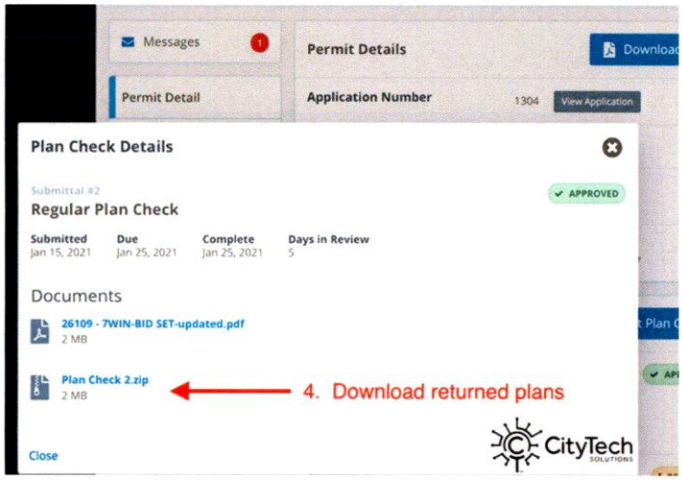

Option 2

After logging into your customer account at https://buttscounty.cts.city/, there are 4 steps for downloading the .zip file from your account.

1. Click the Projects link on the left side of the web page.
2. Click on the appropriate address for the project you would like to resubmit plans for.
3. In the Plan Checks area, click on the blue Regular Plan Check button for the any of submittal.
4. Click on the Plan Check.zip to download your documents.

Building and Safety – Permit Center

Inspection Request

Process for Scheduling an Inspection

The Permit Center is where all inspections requests can be scheduled for a construction project.

Please Note:

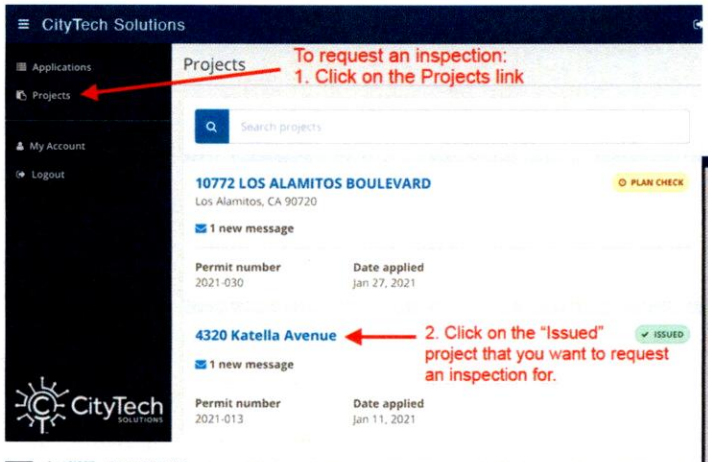

1. Only Projects that are in an Issued status ✔ ISSUED can request inspections. If your permit is displaying any other status, you will not see the Request Inspection button.

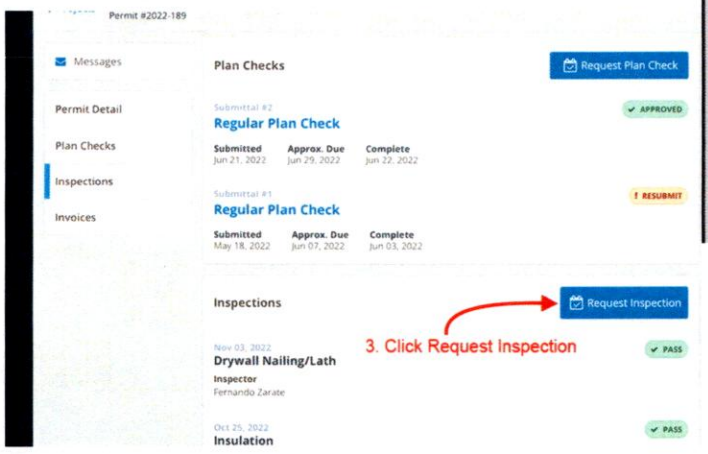

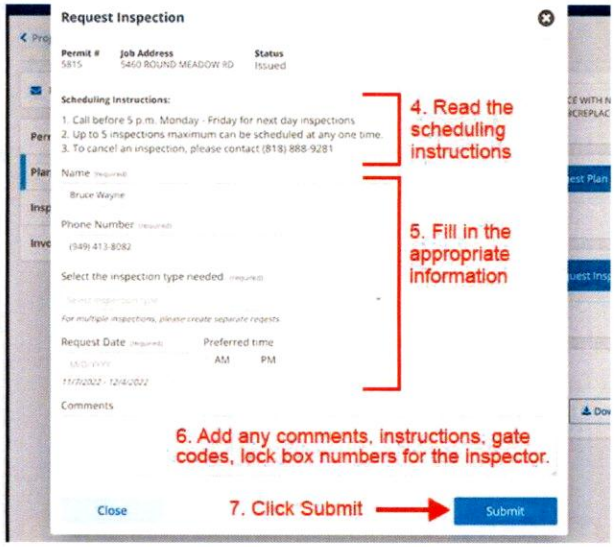

2. Only people associated with a permit, whose name and email address have been approved and entered into our Permit System for that project, can request an inspection.

After logging into your customer account at https://buttscounty.cts.city, there are 7 easy steps for requesting an inspection:

1. Click the Projects link on the left side of the web page.
2. Click on the appropriate address for the project you would like to resubmit plans for.
3. Click on Request Inspection.
4. Read Scheduling Instructions.
5. Fill in the inspection information.
6. Add any comments.
7. Click Submit.

Building and Safety – Permit Center

Resubmitting PDF Documents For Plan Check

Process for Resubmitting Documents

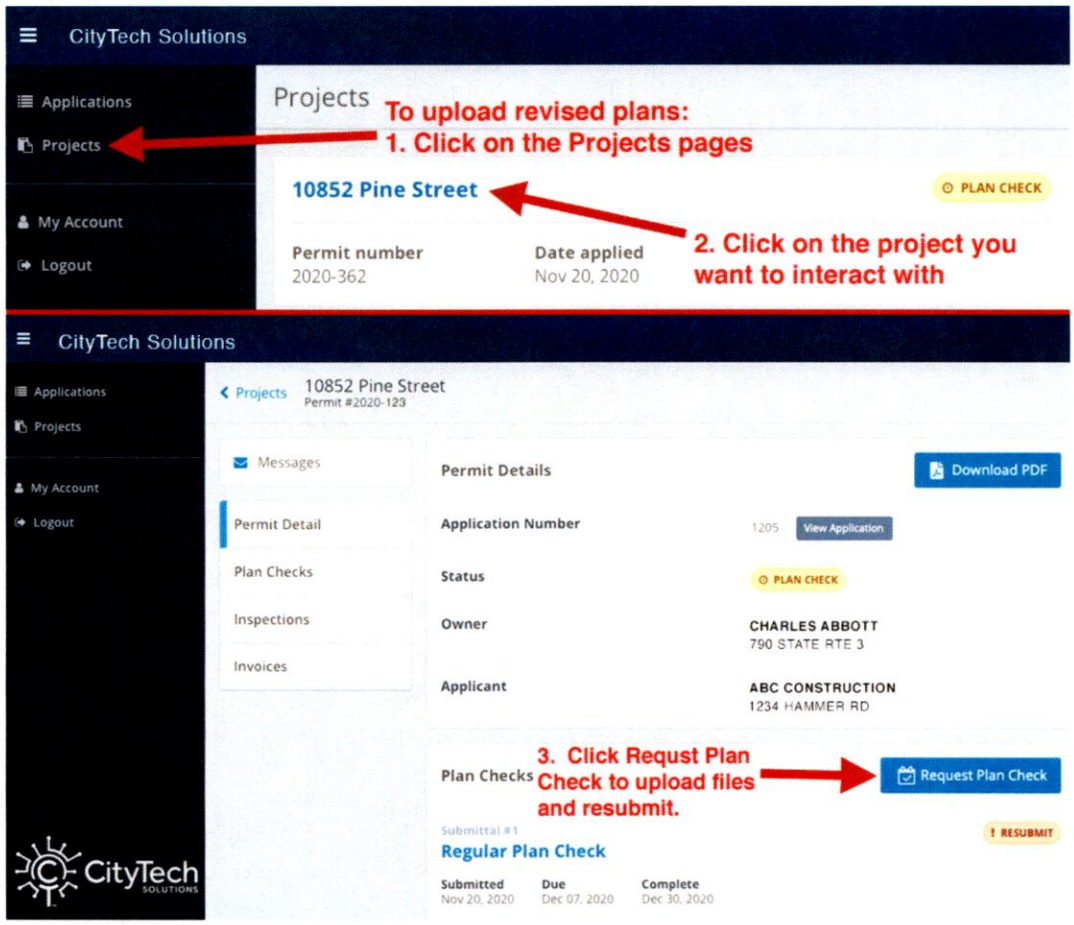

The Permit Center is where all building plan check takes place for a project. Submitting PDF plans for the first plan check submittal is straight forward as the PDF plans are uploaded with the initial application. Resubmitting plans for additional plan checks is a different process, so below are the steps for how to resubmit PDFs after the 1st plan check or after the initial application has been accepted.

After logging into your customer account at https://buttscounty.cts.city, there are 3 steps for resubmitting PDF documents to your project in your account.

1. Click the Projects link on the left side of the web page.
2. Click on the appropriate address for the project you would like to resubmit plans for.
3. Click on the blue Request Plan Check button in the Plan Checks area to open a window to facilitate finding PDF plans on your computer or dragging and dropping PDF files onto the window.

Please note the following scenarios when PDF plans cannot be uploaded to your account:

1. When the overall Permit Status is set to: HOLD FINALED EXPIRED
2. When the individual Plan Check status for a submittal is set to: IN PROGRESS

NOTES FOR INSPECTOR
Example: Lock box code, hidden key, etc.

This permit becomes null and void if work or construction authorized is not commenced within 6 months or if construction or work is suspended or abandoned for a period of 6 months at any time after work is started. Separate permits are required for electrical, plumbing, and mechanical work.

I hereby certify that I have read and examined this application and the information provided herein is true and correct. No changes shall be made from that which is stated in this application, or in attached plans and specifications. Granting of a permit shall not be construed as a permit for or an approval of any violation of the Building Code or any other state or local law regulating construction or the performance of construction. I further certify that all construction will comply with all adopted codes, ordinances, and that there may be a fee associated with obtaining a permit.

HOMEOWNER AFFIDAVIT

NOTICE: The Building Department will only issue a permit to either a licensed contractor or to the **owner-occupant** of a residential property pursuant to OCGA 43-41-17 (c)(2)(h). This form must be completed, signed, notarized and submitted to the Building Department before a permit will be issued.

All information requested on this form is mandatory:

Jobsite Address: _____

Parcel ID: _____

Homeowner's Name: _____ **Phone:** _____

Description of Work:

_____

_____

This is to certify that I am responsible for the:

☐ **BUILDING** ☐ **MECHANICAL**
☐ **ELECTRICAL** ☐ **LOW VOLTAGE**
☐ **PLUMBING/GAS**

I certify that I have a working knowledge of all construction codes and ordinances adopted by the county relating to this project. In the event there is a change in my status on this project, I understand that I will be held responsible for all indicated work at this job until the Building Inspections Department has been notified, in writing, of any change. I understand that this permit may be revoked for false statements or misrepresentation as to the material fact in the permit application on which this permit was based. I affirm that I understand the state laws set forth by O.C.G.A. 43-41-17. I further agree to indemnify the City and its operator from any liability for damages and loss of property if the work performed has not been installed in accordance with the applicable construction codes and ordinances.
